We're honored to say we've been a part of your community for almost 40 years. We opened our first store in 1982 with one goal in mind: improving our clients' quality of life. We didn't rush to grow our business and the focus was never on profits. Instead, we focused on conducting our business with integrity. Our clients noticed our commitment to their happiness and complete satisfaction and they spread the word. Soon, we had more clients than our single store could handle, so we expanded.

Today, our incredible team operates 23 stores across Nebraska and Iowa. As our company has grown, we have remained dedicated to the complete satisfaction of each and every client. Our clients are hardworking, integral members of their communities and we're incredibly proud to have the opportunity to serve them. Our focus on personal relationships allows us to work with each client to overcome any hurdles they may encounter on the path to ownership.

Over the years, the Ace team has built a strong reputation as a business of integrity. In fact, in 2017 we were awarded the Integrity Award by the Better Business Bureau. We're incredibly proud of this accomplishment, but we're every bit as proud of the glowing comments we hear from clients each day. Many of these clients have been shopping with us for years and have no intention of ever shopping anywhere else. Over the years, they've become more than valued clients, they've become true members of the Ace family.

As we look back over the years, we're incredibly proud of the work we've done and appreciate our clients working with us on this partnership. We will continue to live up to our values of trust, respect, and friendship as we serve our clients each day. We can't wait to see you soon at ACE RENT-TO-OWN, "where we make friends!"

Sincerely,

**Your Ace Rent-To-Own Team**
